## Highlights Of Chinese History

Year	Period	Development/Event
1949 CE-present	People's Republic of China	Nationalists flee to Taiwan. Mao Zedong proclaims the formation of the People's Republic of China (PRC). The Soviets aid in the formation.
1950-53 CE		Korean War. PRC institutes land reforms.
1954		PRC government officially recognized Traditional Medical Practice as a "legacy of the motherland" and encouraged parallel development of Western and Eastern medical practice.
1956-57 CE		One Hundred Flowers Movement.
1958 CE		Great Leap Forward. Communes are formed.
1960 CE		Soviet technicians withdraw their aid.
1966 CE		Ten-year Cultural Revolution begins.
1972 CE		USA President Richard M. Nixon visits Peking.
1976 CE		Premier Zhou Enlai and Chairman Mao Zedong die. Infamous Gang of Four are arrested and sentenced in 1981.
1977-78 CE		Deng Xiaoping emerges as the preeminent leader of China.
1979 CE	USA and PRC establish diplomatic relations.
